WE PREPARE FUTURE LEADERS

Deer Park I.S. D. has innovative and effective Career and Technical Education (CTE) programs with cutting-edge classes and technology integration; pathways that lead to high-wage, high-skilled occupations; and challenging courses that earn both high school and college credit.

CTE courses offer our students a bright future in engineering; accounting; business management; education and training; law enforcement; medical careers; construction trades; marketing; human services; hospitality and tourism; photography; nutrition; culinary arts; interior design; audio/video tech; information technology; and the various fields of agriculture including veterinary medicine, livestock production, wildlife and ecology management, floral design, metal working, and a vast number of other opportunities.

We are here to help students discover their talent, fuel their passion, and provide them a key to their future success.
Public Service Endorsement
Education & Training

Examples of Suggested Paths

9th Principles of Human Services
10th Child Guidance
11th Human Growth and Development
12th Practicum in Education and Training

9th Principles of Human Services
10th Child Guidance
11th Practicum in Education and Training
12th Practicum in Education and Training II

9th Principles of Human Services
10th Human Growth and Development
11th Practicum in Education and Training
12th Practicum in Education and Training II

Contact CTE Coordinator, Ms. Weaver

Business and Industry Endorsement
Agriculture, Food, & Natural Resources

Examples of Suggested Paths

**Ag Mechanics Emphasis**
9th Principles of AFNR
10th Ag Mechanics and Metal Technologies
11th Ag Facilities Design and Fabrication
12th Practicum in Ag Mechanics

**Veterinary Emphasis**
9th Principles of AFNR
10th Small Animal Management (F)
Livestock Production (S)
11th Vet Medical Applications
12th Practicum in Vet Med

**Plant Emphasis**
9th Principles of AFNR
10th Principles and Elements of Floral Design
11th P & S in Floral Design
12th Ag Science Elective

**Animal Emphasis**
9th Principles of AFNR
10th Small Animal Management (F)
Livestock Production (S)
11th Wildlife
12th Advanced Animal Science
